Year 3 and 4 Hockey

On Wednesday, a team of pupils from lower key stage two represented the school in a hockey tournament. It's déjà vu - Applegarth it are on a winning streak! Year 3/4 came back to school with gold medals. In some miserable, autumnal weather, the children worked hard as a team to win the tournament. In addition, Fritz took home the award for player of the tournament. Needless to say, we are all very proud of every single member of Team Applegarth!

PIANO CONCERT 06.10.2022

Children across school have been taking part in piano lessons with Mrs Low, our excellent piano teacher. Today, the children and Mrs Low put...

Children across school have been taking part in piano lessons with Mrs Low, our excellent piano teacher. On Thursday, the children and Mrs Low put on a [spectacular concert](#) showcasing what the children had been learning in their first 5 lessons with her. The children were incredible and entertained their audience fantastically well. We were even treated to a full song at the end by Katie, who had learned the song by heart. Mrs Low explained to parents the different stages the children were at and how they were beginning to use the key including using one hand or two, using colours or numbers and understanding musical terminology.

Apple Giveaway

On Monday, we gave away hundreds of apples to prevent them being wasted. Families all got stuck in and helped themselves. It was a lovely way to finish the day. Thank you to Ms Casson, The Community Garden and Mr Bowers for their donations and help. Thank you to Noah for the sign too!

Our Safeguarding Team

At school we have five members of staff and a governor who make up our Safeguarding Leadership Team. Mr Peoples is our Designated Safeguarding Lead (DSL); he is the lead person responsible for child protection and safeguarding issues. Mrs Hopkin, Mr Edwards and Mrs Crossley are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role safeguarding and child protection. Mrs Jo Burnside is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body.

All staff at Applegarth know that safeguarding is EVERYONE'S responsibility. Find out more on our [Safeguarding Page](#).

For information about **Online Safety**, visit our dedicated [webpage](#).

You can also report any concerns you have to our welfare email: welfare@Applegarth.n-yorks.sch.uk

10 tips for parents and carers

HOW TO BE GREEN WITH YOUR TECH

Right now, humans aren't living sustainably: we're taking too many resources and not leaving the world in a fit state for future generations. Old tech products are a clear example: if we throw them away, the poisonous lead and mercury inside can get into the food chain through the soil. Recycling tech, though, has its own issues: it's often exported to countries where the law doesn't protect people from hazards. Whole villages (including children) sort through discarded devices to remove useful parts and substances like gold, silver and copper - often putting their health at risk. Finding ways to re-use tech is the greenest option.

So what can we do with those cupboards and drawers full of old phones and unwanted computers?
Reuse, recycle, donate or sell them!

1 DONATE THEM TO CHARITY

There are lots of charities that redistribute unwanted tech to worthy causes, either in the UK or in developing nations. If your old products are still working, this is a great option - as it means that new products don't have to be made. Search online for your nearest place that does this.

2 REMEMBER THE BATTERIES

Almost all batteries can be recycled - even the little 'button' ones from smaller gadgets. You could choose a box at home or school to keep used batteries in, and then take them to a designated place that collects them. Be very careful, though - button cells can be deadly if eaten by small children or pets.

3 USE YOUR ONLINE SAFETY KNOWLEDGE

If you're recycling, selling or repurposing any of your devices, make sure that all your personal data, private photos and so on have been deleted before the tech leaves your hands or is connected online.

4 REUSE THEM

Old smartphones can be used as webcams, security cameras, baby monitors or pet cams: there are apps that will configure them to do this. You can also turn an outdated phone into a TV remote control, an alarm clock that wakes you up with your favourite track, or a media centre you can take to places where you wouldn't risk your new phone.

5 TURN IT INTO SOMETHING NEW

Smartphones are more powerful than most older computers. If you have an unwanted Android phone, it's quite easy to create a new computer - you could use an old TV as a monitor, meaning you just need a mouse and keyboard. There are also small devices you can buy which let you do the same with iPhones.

6 RETURN THEM

Return devices to the manufacturer or retailer you bought them from. Some manufacturers take responsibility for their products and accept them back, to refurbish and redistribute. If they don't, you could contact them and ask why: the more consumer pressure there is on shops and manufacturers, the more likely they are to act in a greener way.

7 SUPPORT SCIENCE

Let your old devices help modern research. Scientists currently investigating topics like far-off star systems, cancer treatment and earthquakes need enormous computing power. If your unwanted device is WiFi enabled, for example, you can connect it to a network so that it can boost scientists' research.

8 SELL THEM

This is also a green option as it means that fewer devices have to be produced. On top of that, you could also donate some of the money you make to an environmental charity.

9 RESEARCH DISPOSAL METHODS

If your device is beyond repair and no one wants it, get rid of it safely through a specialist tech disposal company. Check that your device won't be shipped off to another country for processing.

10 KEEP THINKING

There's no such thing as 'too many' ways to help our planet! If you come up with a better idea than ours, contact National Online Safety and tell us.

OCTOBER HALF TERM HOLIDAY CAMP

NOW
AVAILABLE
TO BOOK
YOUR
CHILD'S
PLACE!!

Tuesday 25th, Wednesday 26th
and Thursday 27th October

Brompton Primary School DL6 2RQ

4 - 6 years old 8.45am - 2.45pm

7 - 9 years old 9am - 3pm

9 - 13 years old 9.15am - 3.15pm

PRIZES
TO BE WON
EVERY DAY
& PUMPKIN
COMPETITION
ON THE LAST
DAY

Cost

Prices are reduced if you book days in the same week.

£18 per child per day

£34 for 2 days

£48 for 3 days

Your child will need...

playing kit and boots to suit the weather, plenty to drink and a packed lunch.

Please note all sessions will be outside. Toilets are available in the school.

Cancellations

If any days of the camp are cancelled due to adverse weather conditions or COVID a credit will be added to your account for future camps and sessions.

Payments

To make a booking please use the booking system at james-lofthouse-football.class4kids.co.uk/camp/6

If you book for 2 days please message me on 07908 199994 for a discount code.

For more information call James Lofthouse on 07908 199994 or email j.lofthouse@jameslofthousefootball.com

You can also message direct on Facebook - booking is essential and on a first come first served basis

Applegarth parents, carers and grandparents,

WE NEED YOUR HELP!

As part of our learning in Heritage Week this year, we will be finding out why HMS Hood is so special to Applegarth Primary School. It is on our crest and we know that school pupils wrote letters to the sailors before it was sadly sunk in 1941.

Do you have any information that can help us? A personal recount, a copy of a letter received or any other information about this incredible battleship would be fantastic, used and perused and MUCH appreciated!

Please let your child's class teacher (or Mrs Cross) know, either in person or via Seesaw! Thank you, Mrs Cross
