# Attendance 22<sup>nd</sup> -26<sup>th</sup> January

## Being on Time

Thank you to all families who are arriving to school on time. It gives your children the best possible start to the day in the classroom. **The school gate closes at 8.50 am.** For a couple of minutes after this time, there will be a member of staff on the gate letting the last parents out of the playground. While it is frustrating that we don't just sneak latecomers in, it is important that if you arrive after 8.50am that you go via the main entrance to register your arrival. This is an important part of our whole school safeguarding system. Many thanks for your cooperation.

## **Our Safeguarding Team**

At school we have five members of staff and a governor who make up our Safeguarding Leadership Team. Mr Peoples is our Designated Safeguarding Lead (DSL); he is the lead person responsible for child protection and safeguarding issues. Mrs Hopkin, Mr Edwards and Mrs Crossley are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role safeguarding and child protection. Mrs Jo Burnside is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body.

**All staff at Applegarth know that safeguarding is EVERYONE'S responsibility. Find out more on our [Safeguarding Page](#).**

For information about **Online Safety**, visit our dedicated [webpage](#).

You can also report any concerns you have to our [welfare email](#): [dsl@applegarth.n-yorks.sch.uk](mailto:dsl@applegarth.n-yorks.sch.uk)

# Year 5 and 6 Cross Country

Last Wednesday, some runners went to the leisure center and competed in the cross country. We ran through mud banks, puddles and the woods. I'm sure we all had a fabulous time. Two of our year six boys managed to pick up medals. Harry collected first and Finley securing third. Some of the contestants were amazing despite the nerves and pain! All in all a fabulous experience. Rita Year 6

# Reception Visit Maxwells

Last Tuesday, pupils in Reception took a walk to Maxwells of Northallerton to learn about electrical devices used in the home. Our project this half term is 'Marvellous Machines' and this experience helped the children learn about how different machines work and their job in the home. They thoroughly enjoyed pressing different buttons and learning new vocabulary such as volume, motor and thermometer. Thank you to Mark and the staff for being welcoming making it a memorable visit!

**\*\*\*Loose Parts Donations\*\*\***

Thank you for your donations so far. We still need lots of dressing up costumes, suitcases, pots, pans and pallets if you have them (ready to launch Outdoor Play and Learning after half term).

# Number Day 2024

Thank you for all your donations today for the NSPCC Number Day. It has been wonderful to see the efforts families and staff have gone to in creating such brilliant maths outfits!

In classes children have taken part in a variety of maths activities using the book 'That's Mathematics' as inspiration. As a whole school we have taken part in a special Time Table Rock Stars challenge: NSPCC Rocks.

environment

Applegarth Little Heroes Club

In 2024 The Service Children's Champion will be hosting their first ever 'Service Children Awards'. The aim is to recognise and celebrate the achievements and contributions of Service children and those who work hard to support them here in North Yorkshire. There are a range of categories some specifically for children, others for organisations/adults. There will be a judging panel who will select the winners of each category at the end of March. Nominations are open now

Scan the QR code for more information!

If you wish to nominate Applegarth school. A specific pupil or a member of staff you can complete the form by following this link <https://forms.office.com/e/nbPkhdtN3t>

# Free Support With Everyday Maths

However you feel about maths,  
you're not alone!

Brush up your skills with two simple options  
below. Access them on your phone, tablet or  
computer and complete at your own pace.

The National Numeracy Challenge will give you an accurate picture of your everyday maths skills. Register and complete a quick-check of your skills, which highlights the areas you need to improve, then teaches you how to do them!

Century Tech offers a free online course to develop your skills in numeracy. You will be asked for the class code and to put a few basic details in to set up your course, this will take no more than one minute.

**GET A FREE £20 VOUCHER ONCE YOU COMPLETE!**

**CLASS CODE: 8HP36Q**

To find out more, email [MultiplyTeam@northyorks.gov.uk](mailto:MultiplyTeam@northyorks.gov.uk)

**FREE MATHS QUALIFICATIONS AVAILABLE**

# Safety

flourishes  
from play

**New Year...New Activity...an essential life skill!**

What better time to get your child water confident and swimming to ensure they are safe in and around the water.

Our baby and pre school programme is suitable for little ones from birth up to 5 years, and also offer new classes on evenings and weekends for school aged children from 4-10 years. In the local area.

Our teachers are in the water and class sizes are kept small for that 1:1 interaction with your child, we swim in lovely warm pool and our classes are fun, engaging and progressive.

# AWARENESS OF AUTISM

**Wednesday 28th February**  
**10:00am - 12:00pm**  
**County Hall, Northallerton**

This is a two-hour session where you will learn about aspects of Autism and how these aspects affect those who have Autism. The session will cover difficulties individuals with Autism can experience, communication issues, ways to overcome these issues and how it might feel to walk in an autistic person shoes. As well as practical knowledge the teaching will help the learners to have empathy towards individuals with autism.
