## Statement of intent

**Applegarth Primary School** believes in creating a safe, welcoming and stimulating environment for all the children in its care. The school believes that a safe social atmosphere helps children of all ages to develop their social skills and confidence.

In order to help and support parents, the school aims to provide an affordable and convenient wraparound and holiday childcare service. Breakfast, after-school and holiday clubs are made available to children aged **4** to **11**, allowing parents more flexibility with their working hours.

Breakfast club caters for up to **60** children at a time, ensuring that there is a staff to child ratio of **1:15** at all times. After School Club caters for up to **30** pupils which is also a staff to child ratio of **1:15**.

The school also provides numerous extracurricular clubs and activities as a method of developing children's social, behavioural and academic skills. All clubs and activities are conducted to the same high standard as that of the educational provision.

Wraparound and holiday childcare, and extracurricular clubs and activities, may include provision by external providers – appropriate safeguarding procedures will be followed with regards to these.

## 2. Wraparound and holiday childcare

- 2.1. Wraparound childcare is defined as childcare provided before and after school which runs until 6pm or later.
- 2.2. Holiday childcare is defined as childcare which is provided during school holidays.
- 2.3. Parents have the right to request that the school considers the provision of wraparound and holiday childcare for children in **reception** up to Year **6**.
- 2.4. The charges for wraparound and holiday childcare will be broadly cost neutral. Any profit that the school makes from providing these services will be reinvested in the service or in the school.
- 2.5. The process for handling requests from parents is as follows:

- Parents are informed of their right to request wraparound and holiday childcare, the timetable for the process and the correct process they are expected to follow when making requests
  - Parents are informed of the threshold for considering requests – this is **five** requests
  - The demand for a childcare service is calculated
  - Where the threshold is reached, the headteacher will discuss with the LA and consult with the **governing board** to decide whether the school will provide the service
  - Within eight weeks from the count of the number of requests, parents are informed of the school's decision, including the number of requests received and the reasons behind the decision
- 2.6. Parents may exercise their right to request that the school considers the provision of childcare during the **first two weeks of every term**; requests made outside of this time period are not considered.
- 2.7. Parents are advised to submit written requests or emails describing the type of service they require, the times of day when the provision is required and the age of their children.
- 2.8. All requests from parents are recorded and dated, and stored in the **main office** in accordance with the school's **Data Protection Policy**.
- 2.9. The school is permitted to refuse to provide the service only under the following circumstances:
- There is a lack of a suitable space
  - There is a lack of demand from parents
  - The school is unable to make arrangements with partner organisations
  - A similar service is already available and can be used without difficulty
  - The school has been placed in special measures
- 2.10. Where the school opts to provide the service, parents are informed of the allocation of places during the **third week of every term**.
- 2.11. If the school is unable to provide the service, parents are signposted to the local Family Information Service for up-to-date information about alternative childcare services in the area.
