FOREST SCHOOL CLUB TEST OUT NEW EQUIPMENT

The Year 2 Forest School Club had the privilege of exploring the brand new structures in the wildlife area tonight. They cooked up a storm for Mrs Mitchell and Mrs Hobbs in the kitchen!

Vehicles around the School Site

A gentle reminder that there is no vehicle access for families from the point at which the houses end on Upwell Road. This is a safety issue (particularly at drop off and collection or when after school clubs are finishing). It also blocks staff in the car park. Thank you.
