Children thoroughly enjoyed this morning's visit from North Yorkshire music service who played pieces from the Nutcracker (The Dance of the Sugar Plum Fairies by Tchaikovsky), Beauty and the Beast and an Argentine Tango. They also played music from the films Harry Potter, James Bond and Star Wars.

We learnt about brass, woodwind and string instruments. We enjoyed listening to the different pitch the instruments made and the sound they created when played together. Later, we used our voices to sing a song together, keeping a beat and using a range of pitch and volume.

If you are interested in learning a musical instrument, please take a look at the leaflet your child will be bringing home. Any questions, please speak to your class teacher or Mrs Jones.

Thank you Mrs Jones for organising this experience for us. 🎵

## After School Wraparound Care

Due to the popularity of our after school wraparound care, we are expanding our capacity from 15 to 20 children from next week. Some families have fed back that it can be challenging getting booked in, so we have listened and acted upon this. The popularity is testament to the excellent work Miss Coatsworth has been doing, and I'm sure the provision will continue to expand with our new Reception intake in September 2022.
