# Year 5 and 6 Explore the New Wildlife Area and Pond

FROG LIFE CYCLES Y5/6 19.05.2022 🐸

In science this week, year 5/6 have been looking at the life cycle of a frog. We discussed that because a frog begins its life as frog spawn, then develops into a tadpole, to a froglet and eventually a frog that this is a process called metamorphosis. We were then very excited to visit our schools wildlife area to see our own tadpoles. We decided they were not quite froglets as they had not grown legs yet. We are very excited to go look at them again after the half term to see how much they have grown! 🐸

## Our Safeguarding Team

At school we have four members of staff and a governor who make up our Safeguarding Team. Mr Peoples is our Designated Safeguarding Lead (DSL); he is the lead person responsible for child protection and safeguarding issues. Mrs Hopkin, Mr Edwards and Mrs Crossley are our Deputy Designated Safeguarding Leads (Deputy DSLs); a deputy DSL supports the DSL in their role safeguarding and child protection. Mrs Jo Burnside is our Safeguarding Link Governor. The role of the Safeguarding Governor is to support the DSL as well as regularly review, ask questions and make suggestions about our safeguarding policies and procedures and to report back to the governing body.
